CULTIVATE Mastermind

God has gifted us all with talent. Don't squander it. Cultivate it.

For it will be like a man going on a journey, who called his servants and entrusted to them his property. To one he gave five talents, to another two, to another one, to each according to his ability. Then he went away. Matthew 25:14-15

GROUP GOAL

You've been journaling as long as you can remember. Every day moments swirl as metaphors and life stories in your head. Writing is the way you process the world. **But you want to get better at it.** Cultivate Mastermind is for you. Let's exercise our gifts and hone our craft.

MEMBER GOAL

What writing goal keeps you up at night dreaming? What are you needing extra help in accomplishing? Are you trying to get that book done, looking for ideas for your email newsletter, burnt out on a commissioned essay? Whether you need accountability, inspiration, or both we want to help!

Do ever wish you had a like-minded individual to bounce your ideas off of? Sending drafts to your mom is a confidence booster, but she likes it all, right?

We will meet monthly for one hour. Each group member will share highs and lows (creative/business/writing focused), and then we will get to work helping each other.

Each month, all writers will submit one piece to the group for feedback and editing.

Let's work together.
